OPERATION CHILLOUT Outreach Team with deliveries at the Passaic River bank, Paterson, NJ

Thanks to our many generous 2011 collection partners heroic efforts, **OPERATION CHILLOUT** was again able to serve the needs of more than 500 homeless individuals - military veterans, men and women this winter. Hundreds of back packs filled with new warm clothing, basic toiletry and survival items were collected, packed and delivered to our outreach locations in 12 New Jersey counties and Easton, Pennsylvania this winter. Additionally, hundreds of new loose clothing items went to many people in need throughout the state.
